

IBPSA-USA
International Building Performance Simulation Association

THE UNITED STATES REGIONAL AFFILIATE OF IBPSA

IBPSA-USA is the United States regional affiliate of the International Building Performance Simulation Association (IBPSA). Our mission is to advance and promote the science of building simulation in order to improve the design, construction, operation, and maintenance of new and existing buildings in the United States.

Become a member of IBPSA-USA

By joining IBPSA-USA you support activities promoting the science of building simulation:

- *SimBuild* conferences and free online access to papers and posters from past conferences. www.ibpsa.us/publications.shtml
- Student travel *scholarships* to attend SimBuild (U.S.) and Building Simulation (International) conferences, including sending seven students to Building Simulation 2013 in France.
- *Training programs* such as a thermal simulation workshop (www.ibpsa.us/workshops.shtml) and a daylight simulation course (RFP for development to be released in 2013).
- *BEMbook Wiki*. This online resource is hosted and supported by IBPSA-USA. bembook.ibpsa.us/
- *Local chapters*. IBPSA-USA provides support to local chapters, including an online webinar service. See www.ibpsa.us/chapters.shtml
- *Awards*. IBPSA-USA recognizes achievement in the field of building performance simulation

Your membership also qualifies you to vote in the Board of Directors election held every two years.

New and exciting things are coming

In January 2013 IBPSA-USA started a membership dues program.

In May 2013 IBPSA-USA forged a partnership with ASHRAE to sponsor the 2014 ASHRAE/IBPSA-USA Joint Building Simulation Conference, merging SimBuild 2014 with ASHRAE's Energy Modeling Conference.

The list of IBPSA-USA chapters is growing, see www.ibpsa.us/chapters.shtml

Becoming a member is easy
