

# PUBLISH WITH ASCE JOURNALS

Consider the **Journal of Architectural Engineering** as a venue for Your Work

## Journal of Architectural Engineering

Editor: Ece Erdogmus, Ph.D., P.E., M.ASCE, University of Nebraska-Lincoln

### **Special Issue Call for Papers:** **Advances in Energy Efficient Building Systems and Operations**

This special issue of the *Journal of Architectural Engineering* will present state-of-the-art in research and case studies related to low energy building systems or energy efficient design and operation of buildings.

**Topics of interest** include, but are not limited to, energy efficiency in HVAC systems and controls, building system fault detection and diagnostics, lighting systems and controls, building envelopes, energy simulation, and occupant behavior. The *Journal of Architectural Engineering* is a peer reviewed publication of the American Society of Civil Engineering.

Authors are encouraged to prepare their manuscripts in accordance with guidelines in "Publishing in ASCE Journals: A Guide for Authors" (<http://ascelibrary.org/doi/book/10.1061/9780784479018>).

Please submit papers online by **October 31, 2015** at <http://www.editorialmanager.com/jnaeeng>. Authors should include a cover letter upon submission indicating that the paper is for a special issue including the special issue title and guest editor name.

### **Editor for the Special Issue:**

Ralph T. Muehleisen, Ph.D., P.E., LEED AP, INCE Board Certified, FASA  
Principal Building Scientist, Argonne National Laboratory

## Reasons to Publish with ASCE Journals

---

- **Authority**  
ASCE journals are led by experienced researchers and practitioners attracting high-quality papers.
- **In Demand**  
ASCE Library ([ascelibrary.org](http://ascelibrary.org)) contains over 100,000 articles and attracts over a million visits per month.
- **Rapid Dissemination**  
Final copyedited and author-proofed papers are published online within 8 weeks of acceptance.
- **Wide Distribution**  
More than 3,500 institutions in 125 countries have access to ASCE journals.
- **High Discoverability & Accessibility**  
Content is indexed in all major services including Google Scholar, Engineering Village, ISI Web of Science, CrossRef, EBSCOhost, and ProQuest.

## How do I access the content in ASCE Library?

---

- **Register at [ascelibrary.org](http://ascelibrary.org)**  
Register today at [ascelibrary.org](http://ascelibrary.org) and take advantage of free tools and monthly special offers, including free access to highlighted special topics in civil engineering.
- **Sign up for free content alerts**  
Get instant e-mail alerts for your “need-to-know” information when you save your search criteria in the ASCE Library. Tables of contents alerts are also available for ASCE journals, proceedings, and e-books. Sign up today at <http://ascelibrary.org/page/savedsearchalerts>.
- **Choose the best plan for you**  
You can access ASCE Library’s collections of 100,000 journal and proceedings articles and e-book chapters through 1) annual subscriptions, 2) ASCE Library Cards (both personal and corporate licenses available), and 3) single article and chapter downloads. Choose the plan that’s best for your information needs. For more information, visit [ascelibrary.org](http://ascelibrary.org).
