

Technical Seminar in Collaboration with IBPSA-San Francisco

Performing Energy Simulations for VRF Systems in 2015

Thursday, September 24

5:45 p.m.

Dinner will be served

Norman S. Wright Training and Research Center, Oakland
(see map and directions on following pages)

Materials presented by:

Siwei Li, Ph.D.

John Falese

Liam Buckley

Daikin North America

Norman S. Wright

IES

Topics to be covered:

VRF technology overview and live equipment demonstration [John, NSW]

Software tools for sizing & selection of VRF systems [Siwei, DNA]

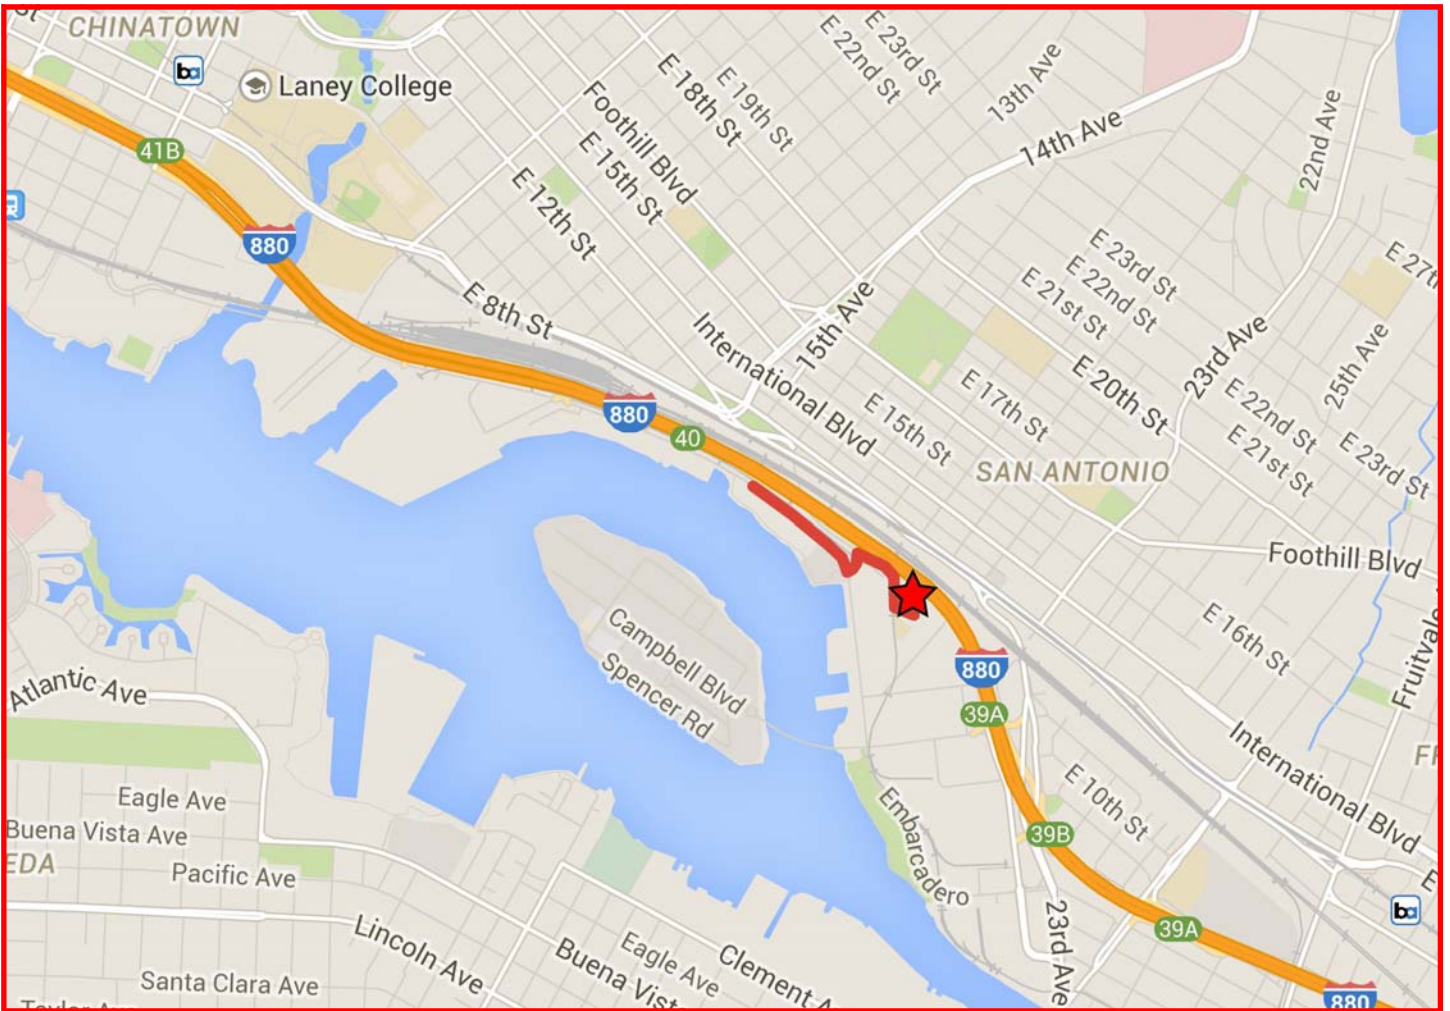

Modeling VRF systems for energy codes such as ASHRAE 90.1 and Title 24 [Liam, IES]

Space is limited. Please RSVP to John Adkins by September 18.

Some mapping websites and GPS give confusing directions to this address. Embarcadero Cove is located just to the west of I-880 and is easy to reach using these driving directions:

From downtown Oakland / traveling south on I-880

Take Exit 40, “16th Avenue Embarcadero”

At the end of the off-ramp turn left onto Embarcadero

There will be an Executive Inn and Suites hotel on the right –hand side

The first intersection is 16th Avenue - turn left

Make an immediate right turn at the Embarcadero Cove sign

Do not continue up the overpass which crosses I-880

Drive through the parking lot toward the large Embarcadero Cove sign then turn right

Do not park in this parking lot (parking spaces are marked and belong to another business)

1830 Embarcadero Cove is the building on the left

Parking is on the other side of the building

Turn left into the first parking lot and park in any unmarked space

Walk into the building entrance and follow signs to Norman S. Wright / BASX (Suite 103)

From Oakland Airport / traveling north on I-880

Take Exit 40, “Embarcadero Fifth Avenue”

At the end of the off-ramp turn left onto Embarcadero

Follow Embarcadero approximately one mile to 16th Avenue

Turn left onto 16th Avenue

Make an immediate right turn at the Embarcadero Cove sign

Do not continue up the overpass which crosses I-880

Drive through the parking lot toward the large Embarcadero Cove sign then turn right

Do not park in this parking lot (parking spaces are marked and belong to another business)

1830 Embarcadero Cove is the building on the left

Parking is on the other side of the building

Turn left into the first parking lot and park in any unmarked space

Walk into the building entrance and follow signs to Norman S. Wright / BASX (Suite 103)
