

Building Energy Exchange

2014 Commercial Efficiency Survey

 EVENT

2014 Commercial Efficiency Survey

Deadline: December 31, 2014

Put yourself in the running to win a free iPad and help us focus our resources in the coming year. Our primary area of focus is commercial lighting retrofits and ten minutes of your time will give us a stronger sense of the work our community is involved in, the barriers you encounter, and which tools would be most useful to you. This information will directly impact which programs and projects we pursue in the coming year.

Enter to win a free iPad and tell us about your work in our survey [here](#).
